
FEE BASED RISK MANAGEMENT SERVICES

Here is an overview of Risk Management services available “unbundled” from Eastern Alliance Insurance Group. We provide a wide range of services and can customize a plan for your business that meets your needs and goals. We offer free initial consultations to evaluate your risk and prepare a business plan that focuses on helping you protect your organization from loss.

Safety Committee Training

We provide not only state-mandated training but also training to make sure your committee is an effective problem-solving group focused on safety performance

Attendance at Safety Committee Meetings

We not only attend your meeting but also visit with workers who have been injured, check to make sure corrections have been implemented, and interact with employees to get their ideas.

Ergonomics

Workplace assessments.
Ergonomic team development and assistance.
Lifting injury reduction programs.

Behavior Based Safety

Management, Supervisor and Employee training programs.
Development of safety behavior observation programs.

OSHA Support

Hazard evaluation surveys and job site visits.
Mock OSHA inspections.
Machine guarding and program audits.

Accountability and Incentive Program Assistance

Workers Comp Education

Management, Supervisor and Employee training on methods of reducing accidents and worker’s comp costs.

Training

We offer a wide variety of educational assistance depending on the needs of your business. Our programs are tailored to your needs.

Other services

We can assist you with projections of your experience mod rating. Claims management consultation is also available.

THE EAIG ADVANTAGE

We know Workers’ Compensation inside and out—it’s all we do. EAIG has a large in-house staff of field-based Risk Management Consultants. We know your company and will work with you from a business perspective to help your company prosper by reducing the risks that you face.

Call your EAIG regional office today to schedule a free initial consultation with one of our Risk Management Consultants. For more information on Eastern Alliance Insurance Group, visit us on the web at www.eains.com.
